

## **Lion's Pride Motorcycle Ministry Background Check Authorization and Consent Form**

I, \_\_\_\_\_, voluntarily apply for prospect membership with Lion's Pride Motorcycle Ministry ("the Ministry"). As part of the prospecting and discernment process, I understand that the Ministry may conduct a background check to assist in evaluating my suitability for participation, leadership development, and representation of the Ministry.

### **Authorization**

I hereby authorize Lion's Pride Motorcycle Ministry, its officers, or an authorized third-party service to obtain information relating to my background, including but not limited to criminal history records, public court records, and other legally permissible background information.

I understand that this background check may be conducted at any time during the prospecting period and that results will be used solely for internal ministry purposes, including but not limited to determining eligibility for continued prospecting or advancement to full patch membership.

### **Scope and Limitations**

I acknowledge and agree that:

- The Ministry is a faith-based, volunteer organization and not an employer
- Background check results will be reviewed only by designated officers
- Information obtained will be handled with discretion and confidentiality
- Findings will not be disclosed outside the officer body except as required by law
- Certain findings may result in extension of the prospecting period or termination of the prospecting process

### **Release of Liability**

I release, hold harmless, and indemnify Lion's Pride Motorcycle Ministry, its officers, members, and agents from any liability arising from the background check process or the use of information obtained, provided such actions are taken in good faith and within the scope of this authorization.

#### Acknowledgment

I affirm that all information I provide in connection with this authorization is true and accurate to the best of my knowledge. I understand that refusal to consent to a background check may disqualify me from prospect membership.

This authorization shall remain valid throughout the duration of my prospecting period unless revoked in writing.
